

The Project

Multiliteracies, Multimodality, Multilingualism, the integration of Romani students in the everyday school activities and language learning, can help the students of 6-12 years to express themselves by adapting to the modern communication requirements to utilize different media for meaning other than linguistic.

“Supporting Roma Children Integration via Multiliteracies and Multimodality for Language Learning in Early Primary Education”

No. 2020-1-RO01-KA201-080342

Kick-off Meeting

The Kick-off meeting took place on November 24th-26th. Due to covid-19 social isolation restrictions the Kick-off meeting took place online.

The partners planned the activities to be undertaken within the duration of the project.

The DIGITALIS project is funded under Key Action 2 of the Erasmus+ program and will last 18months (01/09/2020-28/02/2023).
